

R Ranch in the Mountains Firewise Community Committee

Mission Statement

The R Ranch in the Mountains Firewise Community program is a multi-entity effort designed to reach beyond the fire service provided by the Lumpkin County Fire Department and Georgia Forestry Commission by involving R Ranch owners and guests, Lumpkin County Fire Department, R Ranch leaders, and others in the effort to protect people, property, and natural resources from the risk of wildland fire - before a fire starts. The R Ranch in the Mountains Firewise Community approach emphasizes R Ranch responsibility for planning in the design of a safe community as well as an effective emergency response, and individual R Ranch Owner responsibility for safer landscaping and maintenance of the R Ranch property.
