

Finance Committee

Mission Statement

This committee's members shall be familiar with accounting principles and practices.
The Finance Committee shall:

- Receive information for and oversee creation of the annual budget in accordance with the requirements and time lines set forth in the R-Ranch By-laws.
- Manage inquiries from the BOD regarding large expenditures and means of reconciling those costs to the budget.
- Work in conjunction with the BOD in soliciting and managing bids for major projects.
- Advise the BOD concerning acquisition of additional funding for financial emergencies not foreseen during the budget process.
- Advise the BOD regarding fiscal policies and procedures which would enhance BOD oversight of R-Ranch in the Mountains assets and business practices.
